

Comments on the Downtown Action Plan

Downtown Laguna Beach

Tree Placement Strategy

Note:

Replaced trees represent those that have either been marked as having poor canopy health, poor or very poor structural health, or a combination of both

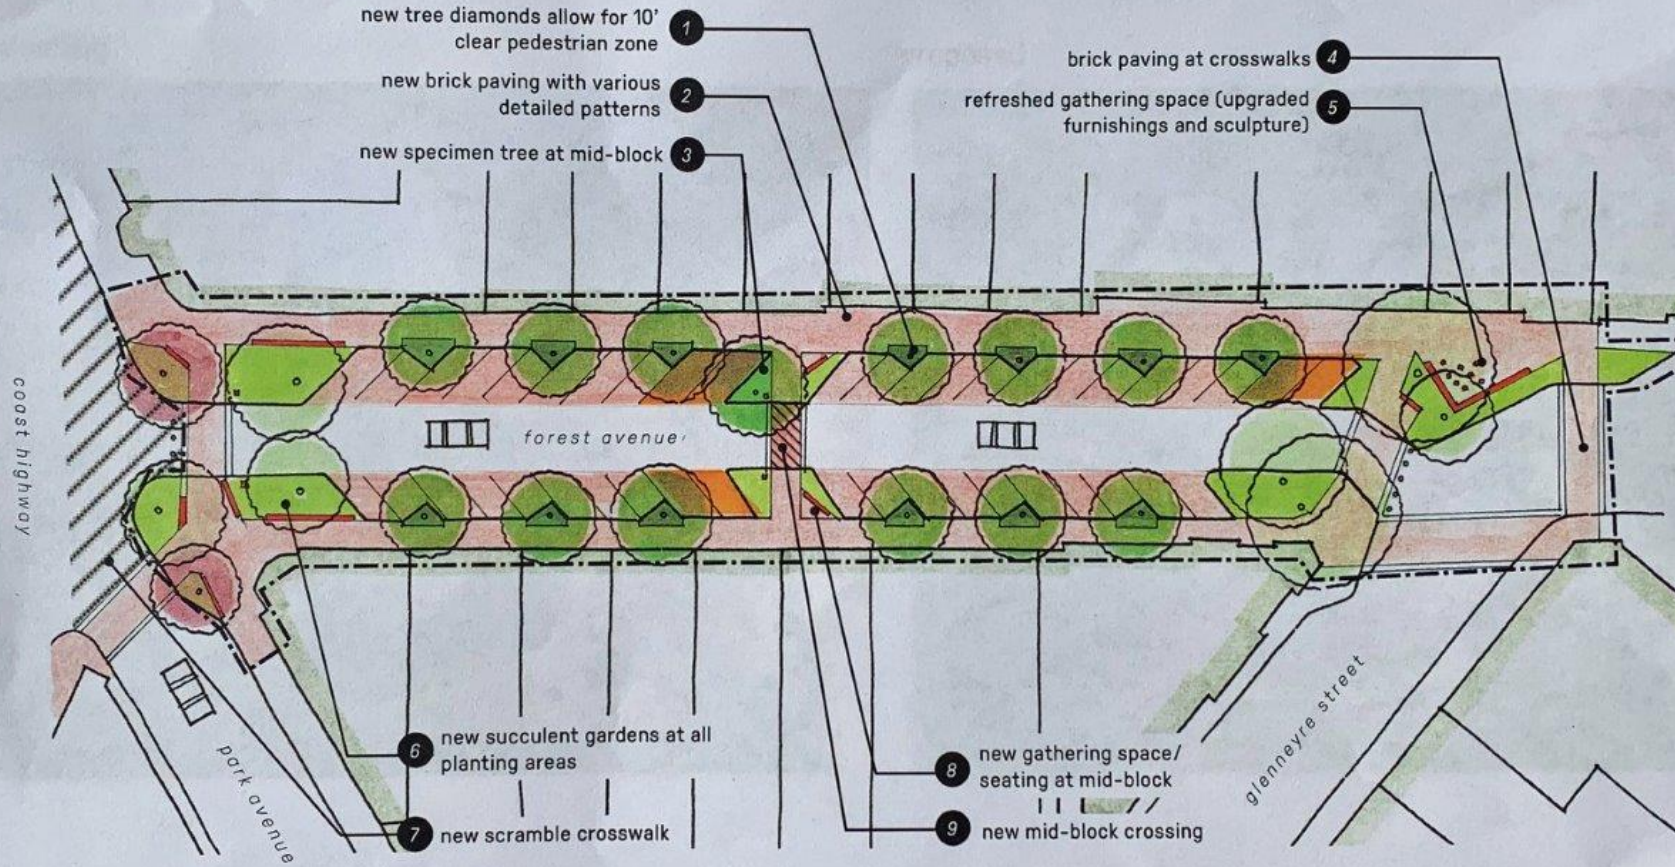

**Lower
Forest
Avenue**

Lower Forest

Maximize the flexible pedestrian zone. Artful tree grates, a refreshed street tree palette, and a fully paved brick streetscape keeps Laguna's historic core vibrant and eclectic.

Broadway

Lower Broadway

With a refreshed street tree palette and decomposed granite tree wells, Broadway successfully connects the Laguna Canyon native landscape with the paradise of the beach.

Tree Assessments versus Proposed Removals

A photograph showing a tree trunk wrapped in a neon green ribbon. A yellow tag is attached to the ribbon with a white piece of tape. The tag has black text. Green string lights are also visible, wrapped around the tree trunk.

**The Downtown Action Plan for the
City of Laguna Beach proposes to
remove and replace this tree.**
